

2018

STEAK & BURGER DINNER

The Cliff Hagan Boys & Girls Club will host the 36h Annual Steak & Burger Dinner on Thursday, August 23, 2018, at 5:30 p.m. It is on this unique day that deserving youths from our membership are afforded the opportunity of sharing a meal with you and other concerned community leaders. Your ticket entitles you and our Club members an opportunity to enjoy a delicious meal prepared especially for this event.

It will be a great experience for all and we promise you a delightful meal highlighted by our kids and an exciting guest speaker.

Funds raised from this event will be used to provide local educational and recreational activities and programs, as well as professional staff who serve as positive role models. Both elements help build self-esteem and confidence in our club members and help them break out of the cycle of poverty, substance abuse, violence and apathy.

Please consider purchasing a table and bringing others from your company, friends and associates.

GREAT FUTURES START **HERE.**

2018 Guest Speaker

Dan Issel

“The Legend of Kentucky”

On Thursday, August 23, 2018, at 5:30 p.m. Dan Issel, University of Kentucky basketball legend and one the NBA’s greatest scorers, joins us as the 2018 featured speaker for the 36th Annual Steak & Burger Dinner. You will also be able to share dinner with the kids from the Cliff Hagan Boys & Girls Club. Come for a great meal, great speaker, and an opportunity to be introduced to some of Owensboro’s greatest kids. Dan Issel still ranks first as UK’s all-time scorer. After a standout career at UK, he moved on to the Kentucky Colonels of the American Basketball Association. In six seasons, Issel led the league in total points three times, was an All-Star each year and won an ABA Championships with the Colonels in 1975. He then moved to the Denver Nuggets. He retired in 1985 as one of the greatest scorers in basketball history. His 27,482 total points placed him fifth on the all-time combined ABA/ NBA scoring list. In the early 1990’s he returned to the Nuggets as their head coach, and in 1993-94 engineered one of the biggest upsets in NBA Playoff history. He was elected to the Naismith Memorial Basketball Hall of Fame in 1993. He was never considered a superstar and was never flashy. Instead he was an iron man with a smooth jump shot, an effective head fake, and an easy humor. He earned his place in NBA history by hustling and squeezing the most out of his talents.
