MIKE HORN UNIT CLUB LIFE EXPERIENCES

Inside the Clubhouse

2025 is off to a busy start for our Club members! We have so many adventures planned to include Workforce Development, E-sports and more. Check out a few of our January accomplishments and some future plans below!

THANK YOU to Anthem Medicaid with their sponsorship of our Mental Health doodle coloring books that will go to all 6 of our Club locations! These will be used by Mrs. Julie, our family impact coordinator, to help with our **mental health initiative**. We will be adding tips and activities on our Facebook page as we go along.

Hands on Horizons was our collab event with OCTC. Through this **Workforce Development initiative**, teen Club members from all 4 of our counties were able to visit the Frederica St. campus and check out various career paths and do some hands-on demos with the OCTC professionals. Stay tuned to our Facebook page and next quarter's Newsletter to catch a glimpse of pictures during this event.

Clubs will compete in the following games:
Fortnite | Madden NFL 25 | NBA 2K25
Super Mario Kart | Super Smash Bros

E-sports league begins in February! Teen Club members will travel to different Clubs throughout the state of KY and compete in an E-sports league. There are 10 Club organizations total for this event. Participation helps youth develop fine motor skills, strategic planning, social-emotional skills, & teamwork. It also exposes youth to career opportunities and scholarships!

Our Mission

Inspire and empower young people by offering meaningful opportunities that will enhance the quality of life for youth, especially those who need us most to realize their full potential as productive, responsible, and caring citizens.

Give them the one gift

that changes everything.
