2025 GOALS

The Boys & Girls Club of Butler County is looking to grow our attendance at each of our three locations throughout this year. We would like to increase our community outreach and draw our community into our club sites as well. One of our biggest goals would be to grow our membership at our Teen Center and gain new partners, as well as maintaining existing partnerships, to ensure that Butler County youth have every resource available to them to secure their futures as productive, responsible citizens.
