# MIKE HORN UNIT CLUB LIFE EXPERIENCES

## Inside the Clubhouse

## Our Mission

Inspire and empower young people by offering meaningful opportunities that will enhance the quality of life for youth, especially those who need us most to realize their full potential as productive, responsible, and caring citizens.

**2<sup>nd</sup> AG DAY Adventure!** It was an amazing day celebrating the wonderful world of agriculture. Club members had the opportunity to experience several different AG fields & fun activities including: AG themed relay games, grow their own pumpkins, learned different types of produce, face painting, balloon animals, exploring our greenhouse, introduced to various farm animals, hands-on farm equipment lessons, shaved ice treat, decorated AG cookies, created dirt babies that will grow into plants & more!

**Teens Volunteer:** Our teens joined Morning Pointe of Owensboro for their gardening day. They helped clean out their garden and plant a variety of vegetables and fruits. Meaningful connections and generations working side by side is what it's all about!

**Club Member Spotlights: {Honesty}** is a virtue that involves being truthful, sincere and trustworthy in one's words and actions. These Club members do just that!

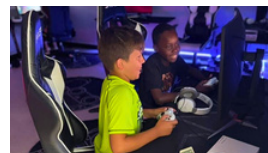

**2025 Summer Program:** our summer energy is off the charts! We've been very busy building Great Futures and had so many fun adventures in the first few weeks. Here's a glimpse of just a couple activities:

- Arts & Crafts: let the creativity flow
- Painting Classes: masterpieces in the making
- LEGO Building: imagination knows no bounds
- STEM Room Activities: explore, discover, & innovate
- Field Trips: adventures outside the Club
- Relay Races: on your mark, get set, GO!
- FriYay: ended the week with a sweet ice cream treat.

**Great Summers Start Here!**

**National Boys & Girls Club Week Celebration!** This week is all about the powerful opportunity to unite Clubs and partners across the nation in our shared mission: to inspire communities, to Open the Blue Door, and experience the life changing work happening inside Boys & Girls Clubs. This year's theme was FIT FOR THE FUTURE!

**Family Night:** Our families had a blast building their very own planter boxes, planting flowers, and enjoying yummy pizza. Thank you to the students and Mr. Meredith from the Owensboro High School Carpentry class for all their help! The more skills we learn as we're growing up, the more self-confidence we have and the better prepared we are to be independent.

Check out our Facebook page or website for an in-depth look into our Club Life Experiences!

### Owensboro Board Member Spotlight

**Marc Bosley**

Marcus W. Bosley & Associates  
Financial Advisor

Marc Bosley has been an outstanding supporter of our Club, particularly for our annual Chefs Giving event. When he's not in the office, you can catch him at a Chef's table, providing amazing food samples. His contributions to the board have significantly advanced our fundraising efforts and created unique volunteer opportunities for our Club members. We can't wait to see the progression our Club makes with Marc on our team!

Even though many years have gone by, it feels like just yesterday when Ms. Aimee Newberry became a member of the CHBGC Board. She has witnessed our organization evolve from our Frederica St. location to our current home at the Mike Horn Unit. Aimee is a steadfast supporter whose dedication has remained unwavering. Her commitment to our organization is truly commendable. She was one of the early advocates for our BWW Auction and played a crucial role in shaping it into what it is today!

**Aimee Newberry**

McLean County Public Library  
Director
