## What's Going On At The Club

Our Club members are making the most of their summer with a fun-filled and enriching lineup of activities! They've been hard at work planting and tending to crops in our brand-new greenhouse, learning hands-on about sustainability and gardening. Members also had a blast at AG Day, where they enjoyed exciting games and discovered more about local agriculture. In between, they've been catching movies, soaking up sunshine on the playground, diving into creative programming, and so much more. There's never a dull moment this summer at the Club!

## Boys & Girls Club Mission

Inspire and empower young people by offering meaningful opportunities that will enhance the quality of life for youth, especially those who need us most, to realize their full potential as productive, responsible and caring citizens.

## Bikes for Brighter Futures

The Bikes for Brighter Futures giveaway was hosted on June 11<sup>th</sup> here at the Fidler Family Unit. Through Teknor Apex's partnership with the Boys & Girls Clubs of America, the company donated 20 bikes and helmets to our Club! Club members aged 10-14 had the opportunity to receive a brand new bike. Teknor Apex hopes to impact the lives of children by encouraging a healthier, active lifestyle and promoting bike safety. We are so grateful to Teknor Apex and all their employees who helped make this possible.

## Board Member Spotlight

This month we would like to recognize our board members Kim Terry and Ann Logan!

Kim has been part of the Boys & Girls Club board since 2020 and stepped into the role of Vice President in 2023. He's always ready to lend a hand—whether it's helping with a new project or jumping in to run a meeting. We're so thankful for Kim's support, leadership, and all the ways he shows up for the Club!

Ann joined the Boys & Girls Club board in September 2024 and quickly took on the role of Secretary. She has been a huge help with several fundraisers and has contributed thoughtful ideas to help move the Club forward. We truly appreciate her involvement and the steady support she brings to the Club!

## Investor Spotlight

We're incredibly grateful to the Beaven Family Foundation for sponsoring our summer programming. Their generous support helps make unforgettable experiences possible for our Club members, including exciting field trips, Club t-shirts, birthday celebrations, and so much more!
