What's Going On At The Club

School is back in session—which means our afterschool program is in full swing! Our Club members have been hard at work (and having fun) participating in enriching programs like SMART Moves, Positive Action, and Kentucky Kids. These activities are helping our youth build skills, confidence, and positive connections that will last well beyond the classroom.

Boys & Girls Club Mission

Inspire and empower young people by offering meaningful opportunities that will enhance the quality of life for youth, especially those who need us most, to realize their full potential as productive, responsible and caring citizens.

Congratulations Mr. Bill Fidler

We are proud to share that our very own Mr. Bill Fidler has been inducted into the Boys & Girls Club Kentucky Hall of Fame! Bill was one of the founding members of the Boys & Girls Club of Henderson and has generously devoted his time, energy, and resources to help our Club open and flourish. This recognition is a true testament to his dedication and impact. Congratulations, Bill, and thank you for everything you've done to support our kids and community!

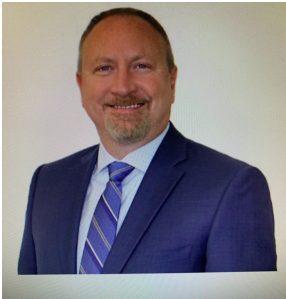

Board Member Spotlight

This month we would like to recognize our board members, Avery Marshall and Brian Owen!

Avery has been a valued member of the Boys & Girls Club Board for just over a year, and we are so grateful to have her on our team! She actively serves on multiple committees and generously gives her time and resources to support our fundraisers and Club projects.

Brian joined our Board in August 2023 and has been an incredible asset ever since. He is the Chairman of the Christmas Auction Committee and also lends a hand with other events, always willing to step in at the Club wherever he's needed.

Investor Spotlight

We would like to recognize two of our wonderful donor families, the McCollom Family and the Crafton Family. Both have generously supported the Club since the very beginning. Thanks to caring donors like them, our Club continues to grow and thrive, providing a safe and inspiring place for kids to learn, play, and reach their full potential.

2nd Annual Great Futures Dinner

Thank you to everyone who joined us for our Second Annual Great Futures Dinner! We were honored to hear from the amazing Cliff Ellis, who shared his journey as a college Hall of Fame basketball coach, author, musician, and humanitarian. His story was truly inspiring.

If you haven't had the chance, be sure to check out the Cliff and Corlyn Ellis Foundation, which is dedicated to providing resources and opportunities for economically disadvantaged children to help them reach their full potential as productive and responsible citizens.

We were also thrilled to present Chase Fulcher with the Impact Hero Award. Chase has been a tremendous supporter of the Club since its early days, and we are so grateful for his ongoing dedication and generosity.
