

WELCOME TO OUR
Clubhouse News

A Club Update

◆ As we step into a new quarter, we're excited to share the progress, stories, and upcoming opportunities that continue to move our mission forward. Every program, partnership, and moment of mentorship reflects the heart of our work — and the growing need for safe, inspiring spaces where young people can thrive. Together, we're building brighter futures, one youth at a time.

MIKE HORN UNIT CLUB LIFE EXPERIENCES

Inside the Clubhouse

THANK YOU to German American Bank for their sponsorship of our Winter Basketball League! We had over 140 youth total sign-up to play in our 6-8 year old & 9-11 year old divisions. We couldn't do this without our volunteers, coaches, players and families who all helped make this season remarkable. We hope everyone had a great time and can't wait to see everyone again later this year. Congrats 9-11 winners: HILLTOPPERS!

Don Hansen Art Show: Our Club members worked incredibly hard this year, exploring new techniques and experimenting with a variety of artistic mediums. Thanks to the generosity of Mr. Donald Hansen and the Oshkosh Area Community Foundation, this creative journey was made possible.

This year, their artwork was proudly showcased for the community at Independence Bank. A special thank-you to Susanne Story for giving our young artists the full VIP experience, complete with a behind-the-scenes tour of their local bank.

Our kids are already buzzing with excitement for their next projects, and we can't wait to see what they dream up next!

Cooking Classes: Thank you to our friends at Cargill and Joys Cooking Classes for helping make our family nights a success! Together, our families rolled up their sleeves and created delicious, made-from-scratch meals that were not only fun to prepare but also healthy and nourishing. All three groups left feeling more confident in the kitchen — and proud of the memorable moments they created side-by-side. These shared experiences are exactly what make our Family Nights so special.

Our Mission

Inspire and empower young people by offering meaningful opportunities that will enhance the quality of life for youth, especially those who need us most to realize their full potential as productive, responsible, and caring citizens.

Workforce Academy: we teamed up with OCTC to kick off the first ever “Workforce Academy” program! This is an 8-week program designed to prepare teens for real-world success by focusing on practical Workforce Solutions while giving them an inside look at the real college experience. Below our Track B group experienced first-hand the “Cope & Drag” technique thanks to the experts at Waupaca Foundry. Our Track A group were busy diving into Healthcare & Human Services. Our groups will switch and experience it all!

Advocating for Kentucky Boys & Girls Clubs in Frankfort:

The dedicated group pictured below traveled to our State Capitol to champion the mission of Kentucky Boys & Girls Clubs. Their goal: to share the impact our Clubs have on youth across the Commonwealth and to ensure our legislative leaders understand the critical need for continued support and funding.

By raising awareness and advocating for our kids, they helped amplify the message that America Needs Club Kids. Club Kids Need You. We're grateful for their commitment and proud to have such strong voices representing our Clubs from board members, lobbyists and other CEOs of KY Clubs.

Check out our Facebook page or website for an in-depth look into our Club Life Experiences!

Owensboro Board Member Spotlight

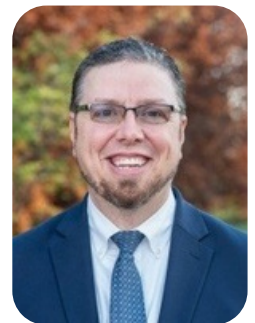

Theresa Payne

Houchens Insurance Group
Commercial Lines Client Advisor

For several years, she has been a steadfast and enthusiastic member of our Board, bringing heart, creativity, and hands-on support to everything she does. Whether she's volunteering at our Golf Classic or helping bring Chefs Giving to life, Theresa is always one of the first to volunteer. She has become a fan favorite at Chefs Giving, known for unforgettable Halloween-themed displays that never fail to delight guests. We're grateful for Theresa's leadership, her generosity, and the joy she brings to our Club year after year.

Dr. Ryan Hall has played a key role in launching our Workforce Academy, bringing passion and guidance to help teens prepare for their next steps in life. He's deeply invested in supporting the next generation and ensuring they have the tools to succeed. Dr. Hall also brings great energy to Chefs Giving, where he and his coworkers make a fantastic chef team each year. We're grateful for his leadership and commitment to our Club.

Dr. Ryan Hall

Owensboro Community & Technical
College Innovation and Artificial
Intelligence Lead
