## What's Going On At The Club

---

Our Club members are back from Winter break, and it's been great to see so many excited faces walk through our doors again!

The kids have jumped right back into programming and are staying busy each afternoon. Members have been getting creative with fun crafts and art projects, burning off energy in the gym, enjoying friendly competition through games, and staying on top of their schoolwork during homework time.

## A Special Celebration at the Club

---

We were honored to host Pittsburg Tank & Tower Group's annual Christmas party in our gym this year! They are incredible supporters of our Club, and we were thrilled to open our doors as a small way to give back. The event was filled with laughter, celebration, and plenty of holiday cheer, making it a truly wonderful and fun evening for everyone involved. We're so grateful for their continued partnership and support of our Club!

**Boys & Girls Club  
Mission**

Inspire and empower young people by offering meaningful opportunities that will enhance the quality of life for youth, especially those who need us most, to realize their full potential as productive, responsible and caring citizens.

## Board Member Spotlight

This month we would like to recognize our board members, Stephen Boyens and Garrett Greenwell

Stephen has been a dedicated and long-standing member of our Board, supporting the Club every step of the way. He is always willing to lend a hand, whether that means helping with fundraisers, encouraging others in the community to get involved, or offering guidance and support whenever it's needed. Thank you, Stephen!

Garrett has been a valued member of our Board for a little over a year and has been a wonderful addition. He serves on our Annual Golf Fundraiser Committee, where he brings new ideas and strong support to the planning process. Beyond committee work, Garrett is always willing to step in wherever help is needed, whether that's coordinating with community partners or lending a hand on projects. Thank you for all you do, Garrett!

## Investor Spotlight

We are proud to recognize a few of our amazing Club supporters this month: Richard and Elizabeth Wham and Bill and Charlene Beasley. These generous supporters have contributed to the Club in many meaningful ways, from helping keep our doors open through ongoing support to attending our annual fundraisers. Their commitment and generosity make a real difference in the lives of the kids we serve. Because of supporters like them, we are able to continue providing a safe, supportive, and enriching environment for our Club members. Thank you for being such an important part of our Club family!

# 2nd Annual Chefs Giving Recap

Our 2nd Annual Chefs Giving fundraiser was a fantastic evening! We are incredibly grateful to our talented volunteer chefs who prepared an amazing array of delicious dishes, and to everyone who joined us in support of our Club. Thanks to your generosity, we raised over \$20,000 to directly support our Club members and the programs that serve them. If you weren't able to attend this year, we hope you'll join us for this special event next year!

Thank you to our event sponsors:
