MARCH, 2026

ISSUE #5

STAFF MEMBER SPOTLIGHT

Pictured to your left is our wonderful staff that works with our members at our North Butler School Site. On the left is Ms. Breanna Howard. Breanna has been with us for 3 years. She started off as a Youth Development Professional and worked her way up to Unit Director of our NB School Site.

Pictured to the right is Mrs. Gina McCrocklin. Gina has been with us, as Youth Development Professional, for a year and a half.

Both Ladies do a tremendous job with our youth at the North Butler Site during the school year and then make their way over to the town site for a fun filled summer. All of the kids love both of these ladies and love spending their afternoons with them. The Boys & Girls Club is very lucky to have two wonderful people who care as much about our members as Ms. Breanna and Mrs. Gina do.

OUR MISSION

To inspire and empower young people by offering meaningful opportunities that will enhance the quality of life for youth, especially those who need us most to realize their full potential as productive, responsible, citizens.

MARCH GLADNESS RECAP

This year's March Gladness, hosted by Cool Springs General Baptist Church, raised \$7,500 with a matching fund from Modern Woodmen for \$2,500 for a grand total of \$10,000. All of the funds from this event came directly to the Boys & Girls Club of Butler County.

The winning team (pictured above left) Justin Castlin, Briar Griffin and Trevor Deweese. Our Hotshot winner (pictured above right) Talon Hampton. Thank you Cool Springs and everyone who participated to help make this event a success.

The new year has started off strong! We've welcomed several new members to our Club family and built new partnerships within our community — helping us expand our impact and strengthen our mission. This quarter also brought two successful fundraisers, thanks to the incredible generosity of our supporters.

Our Alliance Programs — SMART Moves, Positive Action, KY Kids, and Teen Workforce — are wrapping up for the season, and we're completing final reporting to the state. We're proud of the growth and accomplishments our members have achieved through these programs and look forward to carrying that momentum into the rest of 2026.

We are in the early stages of planning for our Summer Program. Please follow our Facebook page to stay up to date on when sign-ups will start, pricing, and hours.

The energy and enthusiasm in our Club continues to grow — it's shaping up to be a wonderful year!
